Mortgage document checklist

Gather what applies to you before you apply, make an offer or renew. Lenders differ, so Joshua will confirm what your file needs. Tick each box as you go.

- ☐ Addresses for the last two years, with dates
- ☐ A list of every debt: cards, car loans and leases, lines of credit, student loans, support payments. Include the balance and the monthly payment
- ☐ A purchase: the signed offer or the MLS listing. A renewal: your latest mortgage statement and renewal letter
- ☐ The latest property tax bill, if you already own the home

If you are paid a salary or hourly wage

- ☐ A recent pay stub
- ☐ A letter from your employer: position, pay, hours, start date and whether you are permanent
- ☐ Your last two years of tax slips or CRA Notices of Assessment
- ☐ For bonus, overtime or commission: two years of history showing what you were paid

If you are self-employed

Your down payment

- ☐ RRSP, FHSA or other registered account statements, if you will use them
